

# TUSHAR NAGESH DESHMUKH

+91-7058209269 | tushardeshmukhh96k@gmail.com | github.com/tushar-cmd-10 | linkedin.com/tushar-deshmukh96

## Education

### VIT Bhopal University

B.Tech in Computer Science and Engineering

2022 – 2026

CGPA: 8.46

## Skills

- **Programming Languages:** Java, Python, MySQL
- **Technical Skills:** Web Development(HTML, CSS), Cloud Computing, AI-ML, Data Analytics
- **Tools & Visualization:** Power BI, Tableau, Microsoft Excel, EDA, DAX

## Projects

### Customer Churn Prediction — Python, Machine Learning, Streamlit

Aug 2025

Predictive Modeling Project

- Performed data processing, cleaning, and feature engineering using pandas and NumPy on 5000+ customer datasets
- Trained ML models (Logistic Regression, SVM) with scikit-learn, achieving a total of 89.5% prediction accuracy
- Built interactive churn insights visualizations with matplotlib and reduced prediction latency to under 2 sec
- Developed and deployed a Streamlit web application improving business planning speed by 30s

### Pneumonia Detection Web Application — AI-ML Project

Apr 2024 – May 2024

Healthcare AI Project

- Created a convolutional neural network (CNN) model using pre-trained VGG16 architecture on 1000+ chest X-ray images
- Developed a Flask-based web app that allows users to upload X-rays and receive real-time pneumonia detection results
- Achieved classification accuracy of 90%+ on validation datasets, demonstrating strong diagnostic potential
- Designed user-friendly interface for doctors and patients with image upload, prediction display, and confidence scores

### Blinkit Analytics Dashboard — Power BI, SQL

Jan 2024

Analytics and Data Visualization Project

- Designed an user-driven analytics dashboard in Power BI integrating 15+ SQL queries and Python scripts
- Enhanced decision-making through automated data preprocessing, trend analysis, and visualization
- Implemented advanced 10+ DAX measures and drill-through filters that gave granular business insights
- Delivered actionable business insights to optimize operations, significantly improving reporting efficiency by 30%

## Certifications

- AWS Certified Cloud Practitioner (CLF-C02)
- Ethnus – Web Development Internship Training Certificate
- NPTEL Elite Certification – Cloud Computing, IIT Kharagpur

## Leadership / Achievements

- Completed 100 Days of Code on LeetCode, solving 110+ problems in DSA using Java. Shared progress consistently on LinkedIn.
- AWS Cloud Club VIT Bhopal Core Member for the year 2023-24
- Managed resources for 10+ club events with 100+ participants each
